**REFERENCES RELIED UPON BY PRIOR EXAMINERS
IN RELATED APPLICATIONS**

Applicant has reviewed the file histories listed in Table 1 in order to identify and compile a listing of any reference that was affirmatively cited or relied upon by an Examiner in making a rejection. Those references are listed in Table 2 below. *Applicant cautions the Examiner that Applicant does not have official, certified copies of the file histories for all of the applications and reexaminations listed in Table 1 and is relying on the documents available on Public and Private PAIR or provided by prior counsel. Accordingly, it is possible that Applicant may not have copies of all substantive office actions, and the Examiner is encouraged to review the related applications and reexaminations for completeness.* Applicant wishes to draw the Examiner's attention to the decisions of the prior Examiners in these cases, including the references applied in rejecting prior-submitted claims.
